

Hydraulic Hose

DIN EN 853 1SN - SAE R1AT

1 Wire Hydraulic Hose, for low to medium pressure hydraulic applications.

DIN EN 853 2SN / 2ST - SAE 100 R2AT / R2A

2 Wire Hydraulic Hose for medium to high pressure hydraulic applications. Available in Thick Cover as well.

DIN EN 856 - SAE 100 R12

4 Spiral Hydraulic Hose with Grey Cover. Suitable for high pressure hydraulic application.

DIN EN 856 4SP

4 Spiral Hydraulic Hose. Suitable for high to very high pressure hydraulic applications.

DIN EN 856 4SH

4 Spiral Hydraulic Hose. Suitable for very high pressure hydraulic applications.

DIN EN 856 - SAE 100 R13

4 & 6 Spiral Hydraulic Hose. Suitable for very high pressure hydraulic applications.

DIN EN 856 - SAE 100 R13

4 & 6 Spiral Hydraulic Hose. Suitable for extremely high pressure hydraulic application.
